The Elden Ring game is a fantasy RPG developed by KOEI-TECMO GAMES CO., LTD., and released by ASCII MEDIA WORKS INC. for smartphones in Japan on May 23, 2014. Elden Ring belongs to the action RPG genre, which is known for its high intensity and thrilling combat, and it is a continuation of the story begun in Elden Ring (famicom, onNES). The game's main theme is related to the story of Gwyndolin, a legendary woman who brought joy and misfortune to the people through love and war. The game takes place in the Lands Between, a world that is part of the Elden Ring, a legendary planet named Eldia, where humanity has spread after conquering the entire planet. The expansion story for the new fantasy action RPG, Elden Ring: Dark Savant – Forsaken Knight, is a prequel set before the events in the main game. It takes place in the Elden Ring a few years before the events of Elden Ring, and begins as Gwyndolin, after going through difficult times in her life, is entrusted with the Guardian Lantern and the Tower of Mordent by a deity she barely meets, to become a guardian to protect the Lands Between. The expansion story ends about four years before the events of the main game, at the point where

Gwyndolin and the Guardian Lantern are entrusted with the Tower of Mordent. As the Tower of Mordent has been still unexplained up to this point, a new unknown monster who calls itself “Greycast” and the mysterious blacksmith Jarnog have returned, and a mysterious person who calls himself “Forsaken Knight” is still looking for the Tower. Players will be able to play an easy RPG story mode, from the main game, and a hard RPG mode that will allow players to change the difficulty. As in the main game, players will be able to combine the weapons, armor, and magic that they equip in order to develop their character according to the play style they want to achieve. What's new:

As a new player, you'll start the game with your starter gear, and will receive a number of Tarnished Seeds during the game to upgrade your weapons and armor.

At the start of the game, you may choose either the Path of the Tarnished or the Path of Great Being. Using the Alliance item, you may also summon the Great Being to assist you during your adventure. The Adventure is a battle that players can play alone or with a friend.

Cancel all combat and go on a quest to the Lands Beyond? We'll be hosting tournaments throughout the release cycle.
